WHAT IS NEARSHORE AMERICAS?

Nearshore Americas is the authoritative resource for gaining knowledge, making connections and developing an expert understanding of the fast-emerging Nearshore technology services market. At the core of our organization is the belief that technology services innovation, produced and delivered from Latin America and the Caribbean, is world-class. We are here to show our readers, clients and followers exactly why this claim is justified.
WHAT WE DO

Nearshore Americas is the virtual home of the $20 billion Nearshore technology services market. Our news articles, reports, webinars, live events, country missions and consulting services all boil down to a single idea: That Nearshore Americas delivers real, measurable benefit to organizations pursuing business relationships in Latin America and the Caribbean.

NEARSHORE NEXUS

Nexus is the premiere outsourcing conference focused on Nearshore technology services. The Nexus conference is designed to generate business-specific knowledge and dialogue about the opportunities, risks and advantages of developing strategic relationship in the region.

The conference, now in its 12th year, brings together senior technology and business investors seeking to understand and capitalize on the expansion of digital skills and service capabilities from the Nearshore. Our conference, networking and content program are geared to increase market knowledge for executives responsible for regional and global expansion, third-party consulting partnerships, IT and digital transformation, artificial intelligence, and business process engagements.

"IT WAS AN EXCELLENT CONFERENCE REGARDING THE CONTENT, LOGISTICS AND THE ORGANIZATION WAS IMPECCABLE. THE WHO IS WHO OF NEAR SHORING IN LATIN AMERICA WAS THERE."

LOURDES CASANOVA
SENIOR LECTURER, ACADEMIC DIRECTOR
EMERGING MARKETS INSTITUTE

"THIS WAS PROBABLY THE BEST BUSINESS CONFERENCE I'VE BEEN TO EVER"

GATEWAY TO THE NEARSHORE: CONSULTING

WE HELP US BUSINESSES NAVIGATE IN THE NEARSHORE – FROM LOOKING FOR NEW IT AND BPO PARTNERS TO DECIDING ON LOCATIONS, WE CAN BE YOUR GUIDE.

Creating successful, long-term relationships with IT and BPO suppliers and developing smarter strategies to capitalize on the advantages offered in Latin America and the Caribbean are often complex undertakings. In our many years of operating in the outsourcing space, we have learned what strategies work and what strategies fail – and have a team of experts available to guide your decision-making. The pursuit of successful partnerships is even more complex for investors who are looking to build a nearshore operations base that can endure macroeconomic volatility and technological change over time. Through utilization of a comprehensive, proprietary storehouse of data, deep and influential relationships in the region and backgrounds steeped in the ‘real world’ of doing business in Latin America, we provide customized advisory, research and data-supported services to ensure you have well-grounded justification for your next business decision.

WE CAN HELP WITH:

- Analysis to uncover real operational costs in 26 leading markets of the Nearshore
- Site analysis, discovery and selection for new captive and delivery center operations
- Current wage and salary data for a range of job software/IT and BPO job classifications and skill sets
- Cautions, hazards and personal-safety risks within specific Nearshore markets
- Partnering with the right Latin America software/IT, call center, knowledge process and back office suppliers
- Establishing connections with well-positioned, in-country contacts, including legal and government agencies
- Managing your visit: Expert guidance on who to talk to and what to see during on-the-ground familiarization activities
- GAP analysis, assessments and market condition research
- Reinforcing higher-performance and better outcomes for investment and trade promotion agencies
- Country and tech cluster positioning: Identifying and capitalizing on niche Nearshore services
- Mergers and acquisitions: Targeted strategies to capture immediate market presence
